IN MY HEART THERE IS A SONG.  
IN MY HEART THERE IS A REASON TO SING ALONG.  
IN MY SOUL I STAND TALL.  
FRIEND TO FRIEND. EARTH TO SKY. JESUS IS THE REASON WHY.  
FROM DARKNESS TO LIGHT, PEOPLE SING ALL NIGHT.  
THERE IS A REASON TO CELEBRATE THE SEASON.  
JESUS IS OUR FRINED, UPON THAT YOU CAN DEPEND.  
SO GET ALONG, JUST SING A SONG.

September 11, 2016 - NINE ELEVEN.

INSPIRED BY FRED NORMAN HAMPSHIRE  
AND HIS METHODIST CHURCH.

# Sweet Jesus

IN A WORLD GONE MAD,  
IT IS SO SAD,  
WHEN YOU REALIZE YOU ARE IN PARADISE,  
AND IT IS NO SURPRISE.  
YOUR PRIDE IS SHOWN,  
AND IT IS TIME YOU WERE GROWN.  
SORROW COMES TO ME THE WAY LOVE DOES,  
BEAUTY COMES TO ME THE WAY LOVE DOES.  
I CAN'T PAY YOU FOR A SMILE,  
BUT I WOULD LIKE TO WALK WITH YOU AWHILE.

# Reverend Robert Schuller

By Royal Howell Jr.

Assert yourself.  
Friends don't hold back & are direct.  
Life is serious, but laughter is prevalent.  
You feel you belong.  
Friends are gentle on your mind & are emotionally involved.  
Kindness is its own reward.  
Friends are time well spent.  
Popular people are assertive and overwhelming.  
People are drawn to them. They put a spell on you.  
Excitement comes their way and heads are turning.  
I want to be part of your world.  
Miracles and composure.

We are spontaneous while others take a while and ponder.

# "The Hand of Man"

by Royal B. Howell, Jr.

Kings have come and gone  
but legends live on forever.  
Some have never been a champion,  
but are to those who needed a smile,  
a kind word, or a helping hand.

I have picked up guns so that the  
world could be free  
and pushed crippled children on a bus ...  
so they could be with the rest of us.

Who am I?  
I am the hand of man.  
I don't see,  
but touch many hearts.

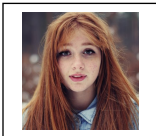

Children believe in me with a shine  
in their eye when I touch their faces,  
and cry for me when they feel my scars  
from many years of work.

My life has been good:  
I have won at Wimbledon,  
held a football, and tingled to the  
roar of the crowd when I received  
an Olympic medal.

Some people I'll never forget:  
a sweetheart with sad tears,  
or a friendless lonely soul  
whose grasp says "I'm lonely,  
please stop and talk with me a while,  
so that I can see you believe in me once more.

During this uneasy time of unrest, Roy's words in "Song of Saint Paul" brought comfort to me. I felt anxious about each tomorrow and now I feel at ease knowing there is someone else who has hope for our futures.

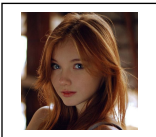

Mike - #2

I have studied many of the great literary writers, both past and present. Roy Howell has a way of expressing himself that transcends the thought patterns of normal people.

Angela - #3

It is refreshing to read the incredible positive messages in a time when the world seems dark. Roy's words are a shining light that speaks of love and hope for all us.

Bethany - #4

I thought it was the end of my road until I read some of Roy Howell's writings. The world seemed distant and I had lost hope until his words resurrected my soul.

Shirley - #5

I admired the maturity in the writings of Roy Howell and how he spoke of things higher than what we experience here on earth. Too many give in to the temptation of listening to and responding to the harshness of world events.

Roy lifts each of us up with his bright forecast and gives us hope for a better tomorrow.

Tom - #6

My formal education attempted to lead me into a submissive role without taking risks.

Roy's writings encourage all of us to embrace difficulties in life without fear and chase the person we were meant to become.

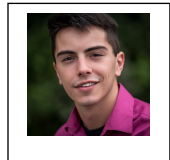

Denise - #7

My life went on without purpose until I started reading Roy Howell's writings.

Each story gave new direction and purpose which I now pursue with all my heart.

Thank You!

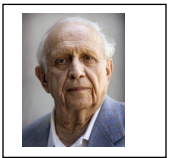

Mike - #8

Roy's observations in his "Monica Molina" story reminds us that it is important to become the person we would want our friends to be.

Cultivating positive relationships is our most important quest in life.

Herbert - #9

The words of Roy's "Democracy" are shared among American Veterans.

America is our country, but the entire world is our nation.

We are the stewards of freedom and must never take it for granted. God Bless America!

Veronica - #10

We are bombarded with negative thoughts all day long.

Roy's words bring encouragement and hope.

Thank you for adding light to a darkened world.

Yu Yan - #11

Friendship is an important foundation for a good life.

There is a Chinese proverb that says: "The best mirror is a friend's eyes."

Roy's comments on friendship are universal.

Amelia - #12

We attend schools in hopes of gaining the necessary knowledge to take care of ourselves.

Roy writes of a higher calling that gives us direction to take care of not only ourselves, but others as well. I appreciate his attention to the importance of bonding with others

and the world around us.

Tony - #13

I found Roy's Web page while searching for inspirational quotes. His writings were much needed and appreciated. I hope there will be more of his thoughts posted on this page.

Susan - #14

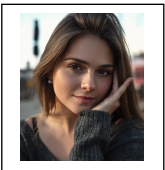

So much of our lives is consumed with unimportant chatter. We spend our waking hours pursuing trivial destinations. Roy speaks about the importance of virtue and friendship. We are reminded of what is truly important in life.

Katsu - #15

Chinese sayings:

Everything is good when new, but not friends. Friends are like wine: the older, the better. Gold is easy to get, a close friend is harder to find.

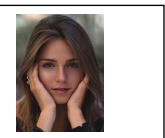

Laura - #16

My parents taught me to plant the characteristics I wanted to become within myself. After all, we only have the power to change ourselves. Happiness, kindness, love, and friendship are important. We should all seek to become the change we want to see in the world.

Carol - #17

I look forward to reading more. Do you have plans for a book? The world needs your positive outlook.

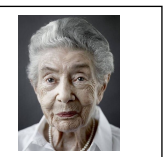

Charles - #18

Roy consistently demonstrates what the Bible says in Luke 6:45: "A good man brings good things out of the good stored up in his heart, and an evil man brings evil things out of the evil stored up in his heart. For the mouth speaks what the heart is full of." Roy's words give testimony to the character of his heart.

Tina - #19

It's not what we have in life, but who we have in our life that matters. Thank you for reflecting that in all your writings. Much can be learned about a person through their writings.

Margaret - #20

Kindness is a wonderful way to let another struggling soul know that there is still love in this world. Thank you for your kind words in all your writings.

Terrell - #21

We all forget sometimes that life is a struggle.

I enjoyed your inspirational comment of:

"Find a little adventure and happiness in whatever you do."

Adventure = Add + Venture = Add a risky or daring journey or undertaking

Rebecca - #22

Thank you for inspiring others to believe in themselves with confidence.

"Confidence comes not from always being right but from not fearing to be wrong."

Peter T. McIntyre

Fear (False Evidence Appearing Real) keeps many from personal success.
